RESPONSES TO ROUND ONE QUESTIONS - SETS 5, 6 AND 10

Dear Mr. Rubenstein:

Attached please find sixty (60) copies of the responses to Round One, Sets Five (Reactor Systems Branch), Six (Structural Engineering Branch), and Ten (Analysis Branch). These responses are to be incorporated formally into the FSAR in the next amendment.

The responses have been delayed due to efforts related to our work on Three Mile Island Lessons Learned and the realization that your review of our docket had been temporarily suspended due to similar reasons.

Very truly yours,
