Atlanta, Georgia 30303

Subject: Virgil C. Summer Nuclear Station
Inspection & Enforcement Bulletin 79-24
Docket No. 50/395
Nuclear Engineering File 2.8950

Dear Mr. O'Reilly:

Your IEB-79-24 requesting action by South Carolina Electric & Gas Company by 10/31/79 with regard to frozen lines has been reviewed. We have reviewed our heat tracing system design. As a result of our review, we found that our design is adequate with respect to the concerns expressed in your IEB-79-24. No further action is required and this is considered a final report. Should you have questions concerning this matter, please contact us.

Very truly yours,

E. H. Crews, Jr.
