Mr. R. H. Engelken, Director  
U. S. Nuclear Regulatory Commission  
Region V  
1990 N. California Boulevard  
Suite 202 Walnut Creek Plaza

Dear Mr. Engelken:

Subject: WPPSS NUCLEAR PROJECT NO. 2  
RESPONSE TO IE BULLETIN 79-03A

Reference: Letter, Ser. G02-80-174, D. L. Renberger (WPPSS) to  
R. H. Engelken (NRC), same subject, dated August 8, 1980.

In the referenced letter, we indicated our intention to complete a review of contractor material lists by September 15, 1980. Due to a delay in obtaining a complete material listing from two piping contractors, it is now anticipated that the review will not be completed until November 3, 1980.

Very truly yours,

*D. L. Renberger*
