Docket No. 50-397

Director of Nuclear Reactor Regulation
Attention: Mr. A. Schwencer, Chief
Licensing Branch No. 2
Division of Licensing
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Schwencer:

Subject: NUCLEAR PROJECT NO. 2
ELECTRICAL SEPARATION

The purpose of this letter is to transmit Revision 2 of the WNP-2 Electrical Separation Practices document to you. Per discussions with your Mr. R. Auluck, FSAR Section 8.3.1.4 will be revised shortly to incorporate the changes reflected in Revision 2 of that document. Currently, Revision 1 of the Electrical Separation Practices document and the FSAR are compatible.

The changes in Revision 2 are at a very detailed level and believed, in our opinion, to not be changes in what is generally defined as "criteria".

Very truly yours,

for G. D. Bouchey
Manager, Nuclear Safety and Regulatory Programs
