Docket No. 50-397

Mr. J. B. Martin
Regional Administrator
U.S. Nuclear Regulatory Commission
Region V
1450 Maria Lane, Suite 210
Walnut Creek, CA 94596

Dear Mr. Martin:

Subject: NUCLEAR PROJECT NO. 2
NRC INSPECTION REPORT 50-397/83-38
NOTICE OF VIOLATION

Reference: Letter, G02-83-973, C. S. Carlisle (SS) to J. B.
Martin (NRC), same subject, dated October 26, 1983

Attachment 2 to the reference letter provided representative calculations performed by Stone and Webster during their performance of a third party assessment of QCI and QCII/Seismic I as-builts for WNP-2. In further clarification of the attachment, it should be noted that the provided calculations were worst case and representative of the supports analyzed by Stone and Webster using methodology consistent with the previously approved WNP-2 approach to IEB 79-02.

Should you have any questions, please contact Mr. P. L. Powell, Manager, WNP-2 Licensing.

Very truly yours,

G. C. Sorensen, Manager
