Dear Mr. Moore:

Subject: **WNP-2 OPERATING LICENSE NPF-21**  
**1998 EXERCISE SCENARIO SUBMITTAL**

Previously you received a copy of the scenario package for the Supply System's 1998 NRC graded exercise to be conducted on September 16, 1998. The submittal has been coordinated with Mary Alice Peterson, Scenario Coordinator with Washington State Division of Emergency Management. The package included the scenario script, a timeline summary of when the events are expected to occur, and the necessary message and data sheets. Objectives and limitations were also included and contained minor revisions to our June 10, 1998 submittal. These revisions were made following a discussion with Ms. Good, NRC staff on June 22, 1998.

We request that you review and provide comments to the Supply System Emergency Preparedness staff. Should you have any questions or desire additional information regarding this matter, please contact T.C. Messersmith, Corporate Emergency Preparedness, Safety and Health Officer at (509) 377-8568.

Respectfully,

*D.W. Coleman*
