Docket No. 50-397

U. S. Nuclear Regulatory Commission
Document Control Desk
Mail Station P1-137
Washington, DC 20555

Gentlemen:

Subject: GENERIC LETTER 89-06

Reference: Generic Letter 89-06, J. G. Partlow (NRC) to All Licensees,
Applicants and C. P. Holders, dated April 12, 1989.

The subject Generic Letter requested that all licensees respond, pursuant to 10 CFR 50.54(f), within 90 days of the date of the subject letter.

Although the Generic Letter was dated April 12, 1989, it was not received by the Washington Public Power Supply System until May 12, 1989. For reasons unknown to us, the letter was received a full 30 days after its issue date, thus reducing our time to respond to 60 days.

The purpose of this letter is to request that an additional 30 days be granted for the response to Generic Letter 89-06. Our response would thus be due to the NRC by August 10, 1989.

If there are any questions regarding this request, please contact me at (509) 372-5238.

Very truly yours,

G. C. Sorensen, Manager
Regulatory Programs (MD 280)
