Gentlemen:

Subject: INITIAL AND REQUALIFICATION OPERATOR TRAINING PROGRAM
- GENERIC LETTER 87-07

As a result of an inquiry from representatives of the NRC Region V office, we have determined that a response to Generic Letter 87-07 had not been provided.

The Initial and Requalification Training Program for operator's licenses has been discussed with the Region V staff on several occasions and the revised Requalification Training Program was implemented in July 1989.

The purpose of this letter is to certify that the program currently being used for WNP-2 Operator License Training is both accredited and based on a systems approach to training.

Should you have any questions, please contact me.

Very truly yours,

G. C. Sorensen, Manager
