Gentlemen:

Subject: REACTOR OPERATOR WRITTEN EXAMINATION REVIEW

The Washington Public Power Supply System has completed it's review of the Reactor Operator written exam administered on April 5, 1991 and is submitting the following comment:

Question 089 has two correct answers - "C" as indicated by the key, and also "A". The basis for this change is that answer "A" is also one of the Immediate Actions directed by P.P.M. 4.12.3.1, Revision 5, which is in the exam data package.

We have no other comments.

Attached you will find the final review copy of the exam. If you have any questions, contact John F. Perry, at 509-377-8327.

Very truly yours,

J. W. Baker
WNP-2 Plant Manager
