Docket No. 50-397

Mr. J.B. Martin  
Regional Administrator

Region V

Dear Mr. Martin:

**SUBJECT: WNP-2, OPERATING LICENSE NPF-21,  
MANAGEMENT MEETING SCHEDULE**

Following the Management meeting held in your office on December 20, 1991, we discussed the need to schedule Management meetings on a regular basis during the coming year. In the past, our goal has been to schedule Management meetings on a quarterly basis to provide an opportunity for both of us to assess progress and make sure that the right issues are being addressed. In fact, the meeting held on December 20 was initially scheduled for March 19, 1991, and was overtaken by events related to the Operator Requalification Program.

I have requested that Mr. Sorensen, of my staff, begin now to work with Mr. Zimmerman, of your office, to establish a meeting date during the first quarter of 1992, prior to the start of our annual outage. I am aware that you have tentatively scheduled a Systematic Assessment of Licensee Performance (SALP) meeting for February 20, 1992. I prefer that the Management meeting be conducted on a date other than the SALP meeting date, so we do not run into the same problems as on December 20.

In addition, I have requested that Mr. Sorensen work with Mr. Zimmerman to arrange a meeting which would include senior management from the other licensees in Region V as well as you and your staff for the purpose of jointly discussing recent events within the region. It is my understanding that this has been discussed and Mr. Zimmerman is working on available dates and meeting topics.

Mr. J.B. Martin
