Docket No. 50-397

U.S. Nuclear Regulatory Commission  
Attn: Document Control Desk  
Washington, D.C. 20555

Gentlemen:

Subject: **WNP-2, OPERATING LICENSE NPF-21  
SCHEDULE FOR IMPLEMENTING THE IMPROVED  
TECHNICAL SPECIFICATION (ITS) PROGRAM**

Reference: 1) Letter, GO2-90-094, GC Sorensen (SS) to NRC, same subject, dated  
May 22, 1990

The reference provided the Staff an updated schedule for implementing the Improved Technical Specifications (ITS). Due to a review of priorities and budget restraints it has become necessary to defer further work on the ITS program until fiscal year 1995 (July 1, 1994). Submittal of the ITS for WNP-2, based on a restart of the program in July 1994, would be in March, 1995.

Sincerely,

G. C. Sorensen, Manager  
Regulatory Programs (Mail Drop PE20)
