Dear Mr. Faulkenberry,

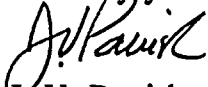

Subject: **RETAKE OF THE WRITTEN PORTION OF THE INITIAL OPERATOR  
LICENSE EXAMINATION**

On Thursday, August 26, 1993, NRC Chief Examiner, Mr. Tom Meadows, administered a retake of the written portion of the Initial Operator License examination to Ms. Ilene Sumsion and Mr. Gary Westergard at WNP-2.

Due to the excellent communications between Mr. Meadows and the Nuclear Training Department staff prior to the exam, WNP-2 chose not to have a pre-exam review for the two license candidates. A brief post-exam review was held with Mr. Meadows, following the exam.

This will provide notification that WNP-2 will not be submitting comments from this examination for NRC review.

Sincerely yours,

J. V. Parrish
