Docket No. 50-397

U.S. Nuclear Regulatory Commission

Attn: Ms. Elinor G. Adensam

Washington, D.C. 20555

Dear Ms. Adensam:

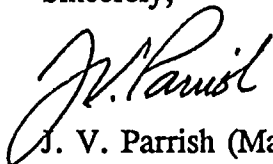

Subject: **LETTER OF APPRECIATION**

On March, 21, 1994, you, members of your staff, and other NRC representatives hosted a meeting and training session for fifteen members of the Supply System staff. This ground-breaking meeting was a professional exchange of ideas to address NRC staff concerns and increase the quality of the Supply System's submittals and our familiarity with NRC processes.

We would like to thank you and the other members of the NRC staff for your efforts. The meeting was extremely beneficial to the Supply System, and was well worth the time and effort expended to participate. We recommend the NRC consider such a meeting for the benefit of other utilities should the staff have similar concerns.

Again, our thanks to you and the other members of the NRC staff for your positive, pro-active efforts for our mutual benefit.

Sincerely,

J. V. Parrish (Mail Drop 1023)
