Dear Mr. Taylor:

Subject: MANAGEMENT CHANGES AT WNP-2

Mr. J. V. Parrish, currently Vice President, Nuclear Operations, of the Washington Public Power Supply System will succeed me as the Supply System's Managing Director effective February 2, 1996.

Mr. Parrish has served in his present position since joining the Supply System in February 1992. Once Mr. Parrish assumes the duties of Managing Director, I will remain available to the Supply System to assist with transition activities and advance the Supply System's proposal to use mixed-oxide (MOX) fuel in Plant 2.

If you have any questions or desire additional information please feel free to give me a call at (509) 372-5504.

Very truly yours,

  
W. G. Council
