**Subject:** [External\_Sender] LAR-17-016S1 Clarification

Paul,

In the response to Question 3 in LAR-17-016S1 (ND-17-1578), the table is numbered incorrectly. In the response, the table should be numbered as Table 4 instead of Table 2. All other portions in the responses describing the table is correct. Please let me know if you have any further questions! Thanks!
