Dear Mr. Richards:

Subject: WNP-2, OPERATING LICENSE NPF-21
GENERIC FUNDAMENTALS SECTION OF THE WRITTEN OPERATOR
LICENSING EXAMINATION

Reference: Letter dated August 2, 1996, TP Gwynn (NRC) to JV Parrish (SS), "Generic
Fundamentals Section of the Written Operator Licensing Examination"

Thank you for the recent letter informing us of your plans to administer the Generic
Fundamentals Examination Section (GFES) of the written operator licensing examination at our
facility on October 9, 1996. This examination was previously administered on October 3, 1995
to those candidates currently enrolled in the WNP-2 Licensed Operator Training Program. The
Supply System, therefore, does not have a need for GFES testing at this time.

If you have any questions or require additional information pertaining to this matter, please
contact Mr. W.D. Shaeffer at (509) 377-8266.

Respectfully,
