Dear Mr. Knighton:

This letter is provided for your information. As the result of recent reviews of the company's structure, APS has announced to its employees that there is a plan in progress to streamline the company which includes staff reductions. This plan is an efficiency move and does not effect Palo Verde.

There is no change in APS' commitment to provide necessary resources to insure plant safety as discussed with James Taylor, Jack Martin and you on May 2, 1988.

Very truly yours,

E. E. Van Brunt, Jr.
Executive Vice President
Project Director
