Dear Sirs:

Subject: Palo Verde Nuclear Generating Station (PVNGS)  
Units 1, 2, and 3  
Organization Change  
File: 91-002-493; 91-A-056-026

Pursuant to 10 CFR 50.54(q), Arizona Public Service Company is notifying the NRC of an organizational change affecting the Emergency Planning and Fire Protection Organizations. Effective July 3, 1991, the Emergency Planning Department and the Fire Protection Department no longer report to the same manager. The Emergency Planning Department reports to the Manager, Emergency Planning, and the Fire Protection Department reports to the Manager, Fire Protection Program. This designation of separate managers increases the management attention for each department, and enables more efficient management of activities.

This change will be reflected in Revision 11 to the Emergency Plan.

If you should have any questions, please contact Michael E. Powell of my staff at (602) 340-4981.

Sincerely,

WFC/MEP/JMQ/pmm
