Thanks,
I'm travelling tomorrow mid-day and will be observing the South Texas ACRS from 0800-1230(+/-) on Thursday.
I'll send you a text if Ed Carley and I have a few minutes to talk. Nothing formal, only if you have time.

CAUTION - EXTERNAL EMAIL

I'm working on it now. My goal is to have the memo done this week. I'd have to see where we are in the publication cycle, once the memo is signed, as to when it would physically published.

Good to hear on the battery.

Hi Justin,
Do we know when the ASR LAR will be posted in the Federal Register?

I'll keep you informed on our vital battery repair. Everything was still on track for a successful repair as of late yesterday afternoon.
