Subject: [External_Sender] Request for the NRC Position on NextEra's Commitment 91, 71, and 83

Hello Justin,

I sent this email to you on November 01, 2016, can you tell me when you will reply. Thank you.

On the NRC SBK-L-16013 / Enclosure 1 / Page 4 could you report on the NRC position statement about the Commitment 91 as the "ASR Monitoring" A.21.31A was changed to "Building Deferment Monitoring" A.2.1.31B with a "crossed out" ASR Monitoring Program to a Building Deformation monitoring Program with no change in the monitoring program. What is the NRC position stated in writing on Commitment 91. I also request that the NRC state your position on NextEra's Commitment 71 and Commitment 83.

Thank you,

Debbie
