Dear Sirs:

**Subject: Palo Verde Nuclear Generating Station (PVNGS)**  
**Units 1, 2, and 3**  
**Docket Nos. STN 50-528/529/530**  
**Reply to Notice of Violation 50-528/529/530/95-11-01, Revision 1**

Arizona Public Service Company (APS) is revising the commitment for completion of the security improvement plan discussed in our original response of letter 102-03430-WLS/AKK/DRL dated July 28, 1995. The original commitment stated that the Access Authorization Section will complete implementation of the improvement plan during the first quarter of 1996 with the move to a new central processing facility. In revising this statement, the move by the Access Authorization Section to the new central processing facility was delayed due to construction restraints and will now take place during the second quarter of 1996.

Should you have any further questions, please contact Ms. Angela K. Krainik at (602) 393-5421.

Sincerely,

WLS/AKK/DRL
