Mr. J. M. Felton, Director

Office of Administration

Washington, D.C. 20555

Dear Mr. Felton:

This letter responds to J. M. Felton's letter of October 5, 1981 which informed us of the NRC's belief that the Donald C. Cook Nuclear Plant Emergency Plan Procedures, other than home telephone number, home addresses and unlisted utility telephone numbers, must be disclosed to the public. In light of the requirements to withhold such information from public disclosure as indicated in 10 CFR 2.790, we hereby withdraw our request to withhold all the Emergency Plan Procedures identified by prefix numbers PMP 2080 EPP, PMP 2081 EPP, and PMP 2082 EPP.

However, the aforementioned procedures contain a section labeled "Appendix A" which contains names and telephone numbers of Plant and AEP System personnel. It is hereby requested in accordance with Generic Letter 81-27, that you withhold Appendix A of the Donald C. Cook Nuclear Plant Emergency Plan Procedures from the public document room.

Very truly yours,

R. S. Hunter
