1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for the company's financial health and for providing reliable information to stakeholders.

2. The second part of the document outlines the procedures for handling customer inquiries. It states that all inquiries should be addressed promptly and professionally, and that the company should strive to provide excellent customer service at all times.

3. The third part of the document discusses the company's commitment to environmental sustainability. It notes that the company has implemented various measures to reduce its carbon footprint and to conserve natural resources.

4. The fourth part of the document describes the company's plans for future growth and expansion. It mentions that the company is currently exploring new markets and opportunities for international trade.

5. The fifth part of the document discusses the company's commitment to social responsibility. It notes that the company is actively involved in various community development projects and is committed to promoting social justice and equality.

6. The sixth part of the document discusses the company's commitment to transparency and accountability. It notes that the company is committed to providing regular updates on its financial performance and to being open to external scrutiny.

7. The seventh part of the document discusses the company's commitment to innovation and research and development. It notes that the company is investing heavily in new technologies and is committed to staying at the forefront of its industry.

8. The eighth part of the document discusses the company's commitment to employee development and training. It notes that the company is committed to providing its employees with the resources and support they need to succeed in their careers.

9. The ninth part of the document discusses the company's commitment to ethical business practices. It notes that the company is committed to adhering to all applicable laws and regulations and to promoting ethical behavior throughout the organization.

10. The tenth part of the document discusses the company's commitment to long-term success and sustainability. It notes that the company is committed to creating value for all stakeholders and to ensuring the long-term viability of the business.

INDIANA & MICHIGAN ELECTRIC COMPANY

AEP:NRC:0916E

Donald C. Cook Nuclear Plant Unit No. 2
Docket No. 50-316
License No. DPR-74
Correction to AEP:NRC:0916A

Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Denton:

Please find attached letter AEP:NRC:0916A. AEP:NRC:0916A was erroneously dated April 21, 1985, rather than May 21, 1985. Please replace your existing copy of that letter with the attached, correctly dated, version.

This document has been prepared following Corporate procedures which incorporate a reasonable set of controls to insure its accuracy and completeness prior to signature by the undersigned.

M. P. Alexich *PBIC*
Vice President *5/31/85*
