RE: Installation of Nuclear Medicine equipment
License #13-03459-03, St. Mary Medical Center

Dear Ms. Bishop:

In follow up to your conversation with Santosh Kar and myself on 11-17-2017, we have clarification as to the procedures to be performed at the St. Mary Medical Center Nuclear Medicine site at the Valparaiso Health Center, 3800 St. Mary Dr., Valparaiso, IN, 46383. The date of the request on the original submitted letter was September 28, 2017.

The procedures to be performed at this location are cardiology and general nuclear medicine procedures under 35.100 and 35.200.

If you have any questions, please contact me at 219 703-1733 or jpkatz@comhs.org.

You can also reach our Radiation Safety Officer, Santosh Kar at 219 703-1742 x31725 or at skkar@comhs.org.

Sincerely,

Jacqueline Katz, RT, MBA
Director of Medical Physics
Community Healthcare System

Additional Information for amendment request of September 28, 2017 at the Valparaiso Health Center
License Number 13-03459-03, St. Mary Medical Center

Bishop, Jennifer

Subject: [External_Sender] Updated correspondence from Community Healthcare System for St. Mary Medical Center
Attachments: Updated letter to Amendment for Y-90 for St. Mary Medical Center November 17 2017.pdf; Additional Information for the Valparaiso Site Nuclear Medicine Department.pdf; Dr Yedavalli's documents for Y 90 proctoring.pdf

Ms. Bishop,

Attached are documents for the Y-90 project and Nuclear Medicine (Valparaiso) project for St. Mary Medical Center.

For the St. Mary's site, we have attached a letter summarizing the procedures to be done.

For the Y-90 request, we have eliminated our original attachments to the letter of 9-21-17 and added a cover page to that document.

In addition, for the Y-90 request, we have provided Dr. Yedavalli's preceptor documents and NRC amendment #88. NRC amendment #88 for Community Hospital references the letter of May 5, 2015, in which we sent his preceptor documents.

Please do not hesitate to contact either myself, or our RSO, Santosh Kar.

Jacqueline Katz, RT MBA
Director of Radiation Oncology and Medical Physics
