License Amendment Request

Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

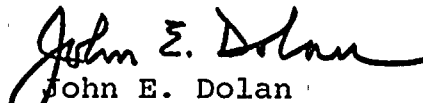

Dear Mr. Denton:

This letter transmits our request for an amendment to the Facility Operating Licenses for the Donald C. Cook Nuclear Plant.

Enclosed please find three signed originals and twenty-five copies of our application for the amendment. Presently, Indiana & Michigan Electric Company (IMECo) and Indiana & Michigan Power Company (IMPCo), a wholly-owned subsidiary of IMECo, are the co-holders of these Licenses. It is proposed to merge IMPCo into IMECo, with IMECo being the surviving corporation. The application requests the Commission to reflect this proposed merger by amending the Licenses.

We consider the requested amendments to be Class I and Class II amendments pursuant to 10 CFR 170.22. Accordingly, we are enclosing a check for \$1,600 as the combined fee required for Class I and Class II amendments. We would appreciate expedited attention to this matter.

Very truly yours,

John E. Dolan
Vice President
