RE: LETTER ON "ADEQUACY OF STATION ELECTRIC DISTRIBUTION SYSTEMS VOLTAGES,"
DATED AUGUST 8, 1979

Dear Mr. Denton:

This letter serves to formalize the request for an extension to answer the above referenced letter until December 15, 1979. Mr. J. I. Castresana of our Staff previously made the request over the telephone to your Mr. W. Gammill. We see ourselves in the need for this request due to the large number of assignments which we are presently working on as the result of well known developments in the nuclear energy field. Please note that, so far, our investigation has not uncovered any violation of GDC-17.

Very truly yours,

R. S. Hunter
Vice President
