EVACUATION ANALYSIS TIMES

Mr. Harold R. Denton, Director
Office Of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Denton:

This letter is in response to Mr. Brian K. Grimes letter of November 29, 1979 which we received on December 7, 1979. Mr. Grimes' letter requested the subject analysis to be submitted no later than January 31, 1980. Cook Plant personnel are working with the Berrien County Sheriffs Department (BCSD) to fulfill the request in an expeditious manner. However, we find that more time than that allotted in Mr. Grimes' letter is required to complete the analysis and for American Electric Power Service Corporation personnel to perform an "independent check" of the evacuation time estimates.

Hence, we request an extension of time for this submittal until March 31, 1980.

Very truly yours,

John E. Dolan
Vice President
