1. The first part of the report is a general
summary of the work done during the year.
It includes a list of the projects completed
and a brief description of the results.

2. The second part of the report is a detailed
account of the work done on each project.
It includes a description of the methods used,
the results obtained, and a discussion of the
conclusions reached.

3. The third part of the report is a summary
of the work done on the various projects.
It includes a list of the projects completed
and a brief description of the results.

4. The fourth part of the report is a summary
of the work done on the various projects.
It includes a list of the projects completed
and a brief description of the results.

5. The fifth part of the report is a summary
of the work done on the various projects.
It includes a list of the projects completed
and a brief description of the results.

6. The sixth part of the report is a summary
of the work done on the various projects.
It includes a list of the projects completed
and a brief description of the results.

INDIANA & MICHIGAN ELECTRIC COMPANY

DONALD C. COOK NUCLEAR PLANT
P.O. Box 458, Bridgman, Michigan 49106
