Director Division of

January 15, 1993

Dear Mr. Roe:

This letter is to request approval of a schedule change for the Donald C. Cook Nuclear Plant 1993 emergency planning exercise previously scheduled for May 1993 in submittal AEP:NRC:0965Y.

Since the time of the fixing of the May date, the exercise date assigned to us has changed to June 30, 1993. This change was necessitated by constraints from FEMA, the other utilities in FEMA Region V, and the State of Michigan. This date was agreed upon in a scheduling conference attended by NRC representatives on November 12-13, 1992.

In order to prepare for the 1993 exercise, we request your approval of this change by February 26, 1993.

Sincerely,

E. E. Fitzpatrick  
Vice President
