Fee for Letter No. AEP:NRC:0403

Mr. Harold R. Denton, Director  
Office of Nuclear Reactor Regulation  
U.S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Dear Mr. Denton:

This letter responds to Ms. R. M. Diggs's letter of April 22, 1981 concerning the payment of a processing fee to the Commission for our AEP:NRC:00403 submittal, dated June 16, 1980. The submittal transmitted revised Technical Specifications incorporating the clarification of the term "operable" contained in 'new' Specification No. 3.0.5. The proposed Technical Specification changes contained in our submittal were forwarded to the Commission in response to Mr. D. G. Eisenhower's letter of April 10, 1980.

Ms. Diggs states in her letter that ONRR considers our AEP:NRC:00403 submittal to involve an administrative issue requiring a Class II fee of \$1,200.00 and a Class I duplicate fee of \$400.00. Accordingly, attached is a check in the amount of \$1,600.00.

Very truly yours,

  
G. P. Maloney  
Vice President
