FEE FOR TECHNICAL SPECIFICATION CHANGE REQUEST.

Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Denton:

This letter responds to Mr. W. O. Miller's letter of July 31, 1981 concerning the payment of a processing fee for our submittal No. AEP:NRC:0372 dated May 26, 1981. This submittal requested seven changes to the Donald C. Cook Nuclear Plant Technical Specifications.

Mr. Miller states in his letter that requested change No. 7 will involve a single safety issue and as such will require a Class III fee instead of the Class II fee. Accordingly, attached is a check in the amount of \$2,800 representing the difference between the fees for these two classes, to be applied to the above mentioned submittal.

Very truly yours,

R. S. Hunter
Vice President
