Attn: W. T. Russell

April 13, 1994

Dear Mr. Russell:

In a telephone conference with your staff on April 5, 1994, we were requested to provide a specific duration for our 10 CFR 50, Appendix J exemption request, which was submitted under letter AEP:NRC:1204 on March 9, 1994. That letter contained a request for a one-time schedular exemption from 10 CFR 50, Appendix J, Sections III.D.2(a) and III.D.3 (Type B and C leak rate tests). Based on an estimated shutdown date of September 3, 1994, the duration of the exemption is 150 days. The exemption will be effective from May 29, 1994, through October 26, 1994. The significant hazards consideration per 10 CFR 50.92(c) and the justification for the regulation exemption per 10 CFR 50.12 provided in letter AEP:NRC:1204 are still applicable.

Sincerely,

E. E. Fitzpatrick
Vice President
