December 27, 1994

Dear Mr. Russell:

The Indiana Michigan Power Company's emergency response manual has been updated to reflect changes in the emergency notification call out list. This revision does not decrease the effectiveness of the Donald C. Cook Nuclear Plant Emergency Plan.

In accordance with a request made by the Document Control Desk, no personal phone number information will be submitted. Since all revised pages contained personal phone numbers, only a document control acknowledgement letter and a record of revision are attached.

Sincerely,

*for W. E. Fitzpatrick*
