Subject: "Core Uncovery Due to Loop Seal Re-Plugging During Post-LOCA Recovery,"
March 1997

Attached is one copy of letter report "Core Uncovery Due to Loop Seal Re-Plugging During Post-LOCA Recovery," March 1997. This report contains information which is proprietary to Westinghouse Electric Corporation. Accordingly, we request that this information be withheld from public disclosure.

We will comply with the requirements of 10 CFR 2.790 to provide proprietary and non-proprietary version of the above material together with an affidavit as soon as the proprietary and non-proprietary versions have been prepared. We will submit the total required number of copies of the proprietary and non-proprietary versions of the information and the required affidavit at that time.

We expect to be able to fully comply with the requirements of the proprietary and non-proprietary versions of the information and an accompanying affidavit within eight weeks.

Very truly yours,

Nicholas J. Liparulo, Manager
Equipment Design and Regulatory Engineering
