Document Control Manager:

In accordance with the criteria established by 10 CFR 50.73 entitled Licensee Event Report System, the following report is being submitted:

98-019-02

This revised LER provides plant test data gathered to determine the error associated with the Electric Hydrogen Recombiner temperature measurement circuits. The changes to the LER are marked with a sidebar.

Sincerely,

A handwritten signature in cursive script, reading "John R. Sampson", is written over the typed name.

J. R. Sampson
