Gentlemen:

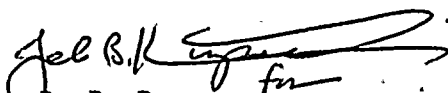

Donald C. Cook Nuclear Plant Units 1 and 2
SENIOR MANAGEMENT ORGANIZATION CHANGES IN
THE NUCLEAR GENERATION GROUP

The purpose of this letter is to inform you of senior management organization changes within the nuclear generation group of Indiana Michigan Power Company. The following changes are effective immediately.

Mr. Robert P. Powers was named senior vice president nuclear generation of American Electric Power Service Corporation and vice president of Indiana Michigan Power Company. Please modify distribution lists for NRC correspondence such that Mr. Powers is the primary addressee. Although Mr. John R. Sampson is no longer acting chief nuclear officer, we request that he continue to receive copies of all correspondence because Mr. Sampson will continue to serve as site vice president. Secondly, please replace correspondence to Mr. Steven J. Brewer with correspondence to the title, "Regulatory Affairs Director" at the same address. Mr. Jeb B. Kingseed is the acting regulatory affairs director, replacing Mr. Brewer. Additionally, please delete Mr. Donald Hafer, chief nuclear engineer, from the distribution lists for all correspondence.

Lastly, a facsimile of the NRC distribution list has been included as an attachment to this letter indicating minor revisions to Mr. Sampson's, Mr. Euto's and the Regulatory Affairs Director's mailing addresses.

Sincerely,

R. P. Powers
Vice President
