Dear Mr. Grobe:

The purpose of this letter is to inform you of our desire to defer a number of inspections your staff currently have scheduled for December 1998 and January 1999. We are specifically requesting that the inspections for containment liner pitting, corrective action program, surveillance, and the auxiliary feedwater system followup inspection be postponed.

In accordance with the Manual Chapter 0350 process, we will keep you advised of the status of these issues and provide notification as to when these issues will be ready for inspection.

Sincerely,

*John R. Sampson*
