Hey Greg,

After we discussed, I decided to send 2 RAIs (1 for each license) to the keep the matters separate. So If you can provide separate response for each, that would be great.

On each response letter, please refer to the Control No. (the CN60xxxx number) and indicate it is "Additional Information" for that control no.

Then, please **sign each letter** and attach them as PDF files to an email back to me. You can either send it as one email or separate emails – it doesn't matter to me.

If you have any questions, please let me know. And Happy Thanksgiving to you and yours!!
