TOTAL NUMBER OF COPIES REQUIRED: LTTR 39 ENCL 2

1. The first part of the document is a list of names and addresses, which are arranged in a columnar fashion. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list appears to be a directory or a roster of some kind.

2. The second part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

3. The third part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

4. The fourth part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

5. The fifth part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

6. The sixth part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

7. The seventh part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

8. The eighth part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

9. The ninth part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

10. The tenth part of the document is a series of short, handwritten notes or entries. These are arranged in a columnar fashion, similar to the first part. The notes are written in a cursive script, and they appear to be a continuation of the information in the first part.

FLORIDA POWER & LIGHT COMPANY

Office of Nuclear Reactor Regulation  
Attention: Mr. A. Schwencer, Chief  
Operating Reactors Branch #1  
Division of Operating Reactors  
U. S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Schwencer:

Re: Turkey Point Unit 3  
Docket No. 50-250  
ISI/Pump & Valve Programs

In accordance with 10 CFR 50.55a, Florida Power & Light Company has developed an Inservice Inspection Program and a Pump & Valve Test Program for Turkey Point Unit 3. The programs are being compiled for duplication and will be forwarded to the necessary on-site and off-site review committees for final approval in the near future. We have targeted August 31, 1979 and September 14, 1979 as the dates for final submittal of the Pump & Valve Test Program and the Inservice Inspection Program, respectively, to the NRC.

Please contact me if you have further questions about either of these programs.

Very truly yours,

Robert E. Uhrig  
Vice President  
Advanced Systems & Technology
