Dear Ms. Godin:

It has come to our attention that Amendment No. 10 to your NRC Material License No. 13-32719-01, issued October 23, 2017, contained an error.

Subitem No. 2 on page 1 of the license had an incorrect spelling, in that "Auite" appeared on the license instead of "Suite." This has been corrected and a copy of the corrected license is attached.

We apologize for this error and for any inconvenience it may have caused.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

If you have any questions or comments concerning this amendment, please contact me at (630) 829-9841. My fax number is (630) 515-1078 and my email address is colleen.casey@nrc.gov.
