Draft Environmental Statement Related to  
Steam Generator Repair at Turkey Point Plant  
Units 3 and 4, Dade County, Florida

Dear Mr. Varga:

In accordance with the procedures contained in 36 C.F.R., Part 800 ("Procedures for the Protection of Historic and Cultural Properties"), we have reviewed the above referenced project for possible impact to archaeological and historical sites or properties listed, or eligible for listing, in the National Register of Historic Places. The authorities for these procedures are the National Historic Preservation Act of 1966 (Public Law 89-665) as amended by P.L. 91-243, P.L. 93-54, P.L. 94-422, and P.L. 94-458, and Presidential Executive Order 11593 ("Protection and Enhancement of the Cultural Environment").

Because of the nature of the project, it is the opinion of this office that no sites listed, or eligible for listing, in the National Register of Historic Places, or otherwise of national, state, or local significance will be affected.

On behalf of Secretary of State George Firestone, we thank you for your interest and cooperation in preserving Florida's historic resources.

Sincerely,

George W. Percy  
Deputy State Historic  
Preservation Officer
