Dear Mr. Eisenhut:

Re: Turkey Point Units 3 & 4
Docket Nos. 50-250, 50-251
Fire Protection

In our letter (L-81-51) dated February 13, 1981, we proposed a completion date of March 30, 1981 for the labyrinth entrances for the 4160 V switchgear rooms (SER Item 3.1.6). This date was established based on a door delivery date from our vendor of March 20, 1981. We have recently been notified that the new shipment date for the doors is May 18, 1981. Based on this information, we have established June 5, 1981 as the new date for completion of the labyrinth.

Very truly yours,

Robert E. Uhrig
