NRC Docket Number: 70-3103

Subject: Reply to Notice of Violation EA-15-218

Reference: 1. Letter from C. Haney (NRC) to J. Laughlin (UUSA), Notice of Violation and Proposed Imposition of Civil Penalty, Nuclear Regulatory Commission Inspection Report No. 70-3103/2017-401, dated March 3, 2017

In response to the Reference 1 Notice of Violation (Notice), URENCO USA (UUSA) herewith provides the enclosed Reply (Enclosure 1). The reply addresses all Violations, including the examples within those violations described in the Notice.

UUSA previously had selected to utilize the NRC's Alternate Dispute Resolution (ADR) process and delayed the ADR until receipt of a Freedom of Information Act (FOIA) request. Upon receipt, UUSA reviewed the information provided by the FOIA and subsequently withdrew from the ADR process and informed the NRC of our intent to respond to the NOV.

Pursuant to the provisions of 10 CFR 2.201(a) and the NRC's corresponding instructions specified in the Notice, Enclosure 1 addresses for Violations I.A, II.A, and II.B: 1) the reason for the violation; 2) the corrective steps that have been taken and the results achieved; 3) the corrective steps that will be taken; and, 4) the date when full compliance will be achieved.

Enclosure 2 provides the proof of electronic payment for Violation I.A.

Enclosure 1 contains Security-Related Information and disclosure to the public could present security vulnerability. Accordingly, UUSA requests that Enclosure 1 be withheld from public disclosure in accordance with 10 CFR 2.390(d)(1). The Enclosure 3 affidavit supports this withholding request.

Respectfully,

Stephen R. Cowne
