Dear Mr. Hannon:

Docket Nos. 50-250 and 50-251
Generic Letter 88-13 Response Operator
Licensing and Qualification Examination Schedule

Generic Letter 88-13, dated August 8, 1988, requested Licensees to provide their best estimate plans for operator licensing examinations during fiscal years 1989, 1990, 1991, and 1992 (October 1 to September 30 of each year). In addition, Generic Letter 88-13 requested the planned dates for our scheduled requalification examinations and the anticipated number of examinations and dates for each licensing examination site visit.

Enclosures 1 and 2 provide Florida Power & Light Company (FPL) estimated operator licensing examination schedule and requalification schedule for our Turkey Point Plant. As discussed with your staff, FPL received Generic Letter 88-13 on August 29, 1988 and would not be able to respond by the requested September 1, 1988 date. It was agreed to provide the information by September 13, 1988.

Very truly yours,

W. F. Conway
