Schedule for Staff Review of Code Case and NEI 12-13

- October 17, 2017 – public meeting to share preliminary view of staff comments
- November 3, 2017 – staff comments publicly available
- December 12, 2017 – public meeting to discuss stakeholders' comments
- January 2018 – publish staff approval letter

Staff Comments on Code Case –

- General introductory comments
- Comments on high level and associated supporting requirements to SHA, SFR and SPR
- New comment – use of the term “application”
 - Code case (and standard) uses the term “application” and the term “PRA application”
 - Section 1-2 of the standard provides a broad definition
 - Staff assumed that just when “application” is used, it is meant in a broad manner; i.e., not meant to be a “regulatory” application

Stakeholder Comments

Staff Review of NEI 12-13

- NRC letter (Nov 16, 2012, ML12321A280) sent to NEI providing staff comments on NEI 12-13
- Staff approval will only be in context of seismic peer reviews
 - NEI 12-13 will not be endorsed in RG 1.200
