Office of Nuclear Reactor Regulations  
Attention: Mr. Darrell G. Eisenhut, Director  
Division of Licensing  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Eisenhut:

Re: Turkey Point Units 3 & 4  
Docket Nos. 50-250, 251

Attached please find our revised fire protection submittal for Turkey Point Units 3 & 4. It includes our request for exemptions to Appendix R in certain areas and the basis for these exemptions. This submittal revises the material that was previously submitted by FPL in regard to fire protection at Turkey Point Units 3 & 4. It should be noted that the extent of this revision is such that the previous submittals are superceded by the attached information. This submittal is being transmitted in compliance with 10CFR50.48 and agreements reached during a meeting with Mr. R.H. Vollmer on February 23, 1983 at the St. Lucie Site.

Very truly yours,

Robert E. Uhrig  
Vice President  
Advanced Systems and Technology
