1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very long letter, and it contains a great deal of information about the state of the country at that time. The President talks about the war with Mexico, and about the situation in the South. He also talks about the economy, and about the need for more money. The letter is written in a very formal style, and it is full of references to the Constitution and to the laws of the country.

2. The second part of the document is a report from the Secretary of the Treasury, dated January 10, 1862. It is a very long report, and it contains a great deal of information about the state of the Treasury at that time. The Secretary talks about the amount of money that the Treasury has, and about the amount of money that it needs. He also talks about the different ways that the Treasury can get money, and about the different ways that it can spend money. The report is written in a very formal style, and it is full of references to the laws of the country.

3. The third part of the document is a report from the Secretary of the Interior, dated January 17, 1862. It is a very long report, and it contains a great deal of information about the state of the Interior at that time. The Secretary talks about the land that the government owns, and about the people who live on that land. He also talks about the different ways that the government can use the land, and about the different ways that it can manage the land. The report is written in a very formal style, and it is full of references to the laws of the country.

4. The fourth part of the document is a report from the Secretary of the Navy, dated January 24, 1862. It is a very long report, and it contains a great deal of information about the state of the Navy at that time. The Secretary talks about the ships that the Navy has, and about the people who work on those ships. He also talks about the different ways that the Navy can use the ships, and about the different ways that it can manage the ships. The report is written in a very formal style, and it is full of references to the laws of the country.

5. The fifth part of the document is a report from the Secretary of the War, dated January 31, 1862. It is a very long report, and it contains a great deal of information about the state of the War at that time. The Secretary talks about the soldiers that the War has, and about the people who work for the War. He also talks about the different ways that the War can use the soldiers, and about the different ways that it can manage the soldiers. The report is written in a very formal style, and it is full of references to the laws of the country.

L-83-568

Dr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Dr. Denton:

Re: Turkey Point Units 3 and 4
Docket Nos. 50-250 and 50-251
FSAR Update Revision 1

Florida Power & Light has completed the annual update of the Turkey Point Units 3 & 4 Final Safety Analysis Report in accordance with 20 CFR 50.71(e). Twelve copies of the revision are attached.

Our report of changes made under the provisions of 10 CFR 50.59 for the period July 1, 1982 through June 30, 1983 was provided in our letter L-83-479, dated September 7, 1983.

Should you or your staff have any questions on this information, please contact us.

Very truly yours,

J. W. Williams, Jr.
Vice President
Nuclear Energy Department
