All,

In support of the April 17th Audit in Reston, Va., the proposed responses to the NRC information needs have been uploaded to the IMS. The process rational is to have time to review the responses in order to prepare for a more efficient site visit. Please log on and ensure you have access to IMS. Your access should take you to only those information needs that were generated/associated with your name.

Joe, the following information need responses have been enabled for your review: 23, 24, 25(parts a, b), 26, 28(parts a, b) 29(parts a, b, c), 33(parts a, b), 34, 36, 37, 38, 39 and 40(parts a, b, c)

Rich, the following information need responses have been enabled for your review: 41, 42, 43 and 44. Rich, until you log in for the first time, the system does not have you in the pick list, so I associated your information needs with Mallecia. After you log in the first time, the system should recognize you and TVA will flip the NRC owner from Mallecia to you.

Please contact me if you have any questions or concerns. Thanks!
