Your application dated December 21, 2004 stated that the DDC Deputy Commander was the principal advisor to DDC Commander for all aspects of DDC Operations, represented the DDC Commander in all aspects of DDC operations and interactions with organizations outside of DDC, and designated the DDC Deputy Commander as the RSC Chairperson. In a letter dated February 23, 2007, the RSC Chairperson was changed to the Director of Logistics Operations and a new delegation of authority from the Commander was provided.

In your recent letter dated September 28, 2017, you indicate that the Director J3 Distribution Current Operations is the current RSC Chairperson. Please provide a delegation of authority from the Commander to the Director J3 Distribution Current Operations (name of individual is not needed so that future changes in this position are included). Additionally, please provide an organizational chart showing the current reporting structure of the RSC to the Commander.

Thank you for your assistance,
