Dear Mr. Eisenhut:

Re: Turkey Point Units 3 and 4
Docket Nos. 50-250 and 50-251
Generic Letter 83-37

Generic Letter 83-37 (NUREG-0737) Technical Specifications) requested licensees to provide applications for license amendments for applicable NUREG-0737 items. We were not able to complete our request by the date previously discussed with our Project Manager due to preparation of multiple other licensing submittals. We therefore now propose to provide our application for license amendment by June 15, 1984.

Very truly yours,
